Part 2: The Semi-Digital Form

To speed things up, we've gone digital with our redemption form. This requires a scanner or a smart phone photo with enough resolution to read your address.

1. Purchase a pair of R65, R80, Eris E44 or E66 monitors between 4/1/16 and 6/30/16.
2. Collect and SCAN both of the following:
 - * A copy of the original, dated, itemized sales receipt showing the purchase of a pair of R65, R80, Eris E44 or E66 monitors between 4/1/16 and 6/30/16.
 - * This form, completely filled out. Legibility counts. We cannot process your request without your R-Series AMT or Eris MTM monitor Serial Numbers.
3. E-mail both files to us before **August 1, 2016**. Send to: rebates@presonus.com
4. Please review all of the rules and fine print on the first page of this PDF to make sure that you qualify and understand how this whole thing works. (Lawyers and accountants are involved, if you get our drift; for example, they insist that we say, "Failure to comply with rules will result in void of rebate.")
